

You're invited to the Better Hearing Movement

Community Hearing Health Center

299 N Madison Ave  
Greenwood, IN 46142  
Ph. (317) 360-0910

Dear Preferred Patient,

It is our privilege to inform you of the latest technological advancements and what's new at **Community Hearing Health Center**. In a world of rapidly changing times, we strive to provide you the "BEST" in quality hearing products and provide you optimal care for all of your hearing concerns!

**Our records indicate that your current hearing aids may not be up to today's technological standards.** Our professionals are trained in the *most advanced digital hearing technology*. Whatever your prescription requires, we have the right style to fit your hearing needs!

**To ensure your hearing aids are performing accurately, we ask that you contact our office as soon as possible to schedule your upgrade appointment!** In addition, we are offering you a fresh package of hearing aid batteries, **FREE** – just for coming in!

A special guest will be in our office for this event. **Kevin Richards**, from Starkey® will be in our office for 3 days only!

**3 Days Only!**

**Tuesday, Wednesday & Thursday, April 17, 18 & 19**

During Kevin's visit we will be offering incentives, including financing, when you upgrade your older hearing aids to new, advanced digital technology. In some cases we can get up to 100% of your original investment back!

During your appointment we will be available to answer any questions regarding better hearing. **Simply contact us at (317) 360-0910.** We look forward to seeing you soon!

Sincerely,

**Barb Dempsey**
