

You wouldn't settle
for seeing like this.

Why would you choose
to HEAR like this?

A hearing device like no other
The hearing aid everyone is talking about.

ReSound LiNX 3D™ is different. Really different. The first (and only) hearing aid that gives you more of every listening situation. And you will hear an amazing difference with the microscopic cutting-edge sound processor inside. It makes traditional hearing aids a thing of the past.

Are you experiencing any of these symptoms?

- | Y | N | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | You've noticed a change in your ability to remember |
| <input type="checkbox"/> | <input type="checkbox"/> | People seem to mumble in noise or groups |
| <input type="checkbox"/> | <input type="checkbox"/> | You have difficulty hearing the TV |
| <input type="checkbox"/> | <input type="checkbox"/> | You need others to repeat what they are saying |
| <input type="checkbox"/> | <input type="checkbox"/> | You strain to hear soft voices such as women and children |
| <input type="checkbox"/> | <input type="checkbox"/> | You remain quiet in conversations for fear of responding improperly |

If you checked "YES" to any of these scenarios, call us today to take advantage of our free hearing consultations during this event!

Introducing a hearing aid that gives you *more* of everything!

When you try ReSound LiNX 3D, you'll experience:

- Natural sound that gets the highest marks from the people that know best – people just like you¹
- Small, sim design that fits so comfortable you may not even remember it's there.
- Durable, water-resistant technology so you can wear your hearing aids while doing the things you love.

¹ 2013 Benchmark test was designed and carried out by DELTA Senselab, Hoersholm, Denmark, an independent laboratory specializing in performing listening tests in a variety of domains.
